

Name	Presentations
Grover Buhr	2007 "Complying with EPA's All Appropriate Inquiries Standard: The Environmental Consultant's Role," presented to Informal Gathering of East Bay Environmental Attorneys, September.
Christopher Glenn	2009 "Optimizing Fatty Acid Distribution Through Dispersion for Vegetable Oil Applications," presented at the In Situ and On-Site Bioremediation Symposium in Baltimore, Maryland (with Varinder Oberoi and Richard Banks), May 7 2008 "A Biobarrier Case Study Using Non-Emulsified Vegetable Oil", 6th International Conference on Oxidation & Reduction Technology for In Situ Treatment of Soil and Groundwater (with Philip Smith, Dorinda Shipman and Richard Banks) 2002 "Monitored Natural Attenuation of Petroleum Hydrocarbons in the Vadose Zone," paper and presentation at the Remediation of Chlorinated and Recalcitrant Compounds Conference, June 2000 "Industrial Ecology as an Emerging Field," presentation at the MWH Breckenridge Technical Conference in Colorado Springs, Colorado, October
Ramin Golesorkhi	2007 Presentation of Emergency Slope and Drainage Repairs at the South Pacific Region of the U.S. Army Corp of Engineers in San Francisco 2007 Panel member for AIA Professional Development on Design of Tall Buildings in San Francisco 2006 Presentation of paper at the Eighth U.S. National Conference on Earthquake Engineering 2006 2003 Presentations at the University of California, Berkeley Geoengineering Group Wednesday Seminar 1999 2005 EERI Friedman Family Visiting Professional Lecture at the University of Illinois Urbana - Champaign 2003 Presentation of Near-Source Effects at Golden Gate Branch of ASCE in Oakland 2003 Seminar at California Polytechnic and State University, San Luis Obispo 2003 Presentations on Site-Specific Ground Motions at two San Francisco Structural Engineering Firms 2002 Presentation of paper at the Seventh US National Conference on Earthquake Engineering 2000 Poster Presentation at Sixth International Conference on Seismic Zonation 2000 Presentation at ASCE Annual Meeting 1999 Presentation at SEAONC Monthly Meeting 1998 Presentation of paper at Sixth U.S. National Conference on Earthquake Engineering
Patrick Hubbard	2005 Cooper White & Cooper, Overview of Perchlorate as a New Contaminant 2004 National Ground Water Association, Ground Water and Environmental Law Conference California Bar Association 2003 Yosemite Conference, Perchlorate Use, Chemistry, and Plumes 2003 San Francisco Bar Association, Perchlorate Use and Chemistry
Christopher Hundemer	2005 2005 AEG National Meeting, Las Vegas Nevada, "The Willowcreek Landslide and Its repair." Presentation of a case study of a landslide that damaged six homes and was subsequently repaired in Watsonville, California. 2002 2002 AEG National Meeting, St. Louis, Missouri, "Expansive Whiskey Hill formation claystone bedrock leads to the razing of a newly constructed home." Presentation of a case study of a distressed, razed, and reconstructed home in Atherton, California. 2001 2001 AEG National Meeting, Reno Nevada, "Settlement and uplift occurring simultaneously in the same structure, good Lord!" Presentation of a case study of a distressed church in San Jose, California. 2000 2000 AEG National Meeting, San Jose, California, "An unusual landslide leads to unusual engineering to save a house." Presentation of a case study of a residence in Portola Valley, California.
Jeffrey Ludlow	2008 "Estimating VOC Emissions from Vapor Management Systems for Air District Permitting," Proceedings of the Remediation of Chlorinated and Recalcitrant Compounds: Sixth Annual Conference, Battelle, Monterey, California (with Sigrida Reinis), May 2008 Seminar Presenter at "Finally! A Practical Approach to Vapor Intrusion" Seminar with Wendel, Rosen, Black & Dean LLP in Oakland and San Jose, California, April 2008 Short Course Instructor on "Vapor Intrusion: Modeling, Design, and Construction" at the Remediation of Chlorinated and Recalcitrant Compounds: Sixth International Conference, Battelle, Monterey, California (with Dr. Blayne Hartman, Robert Balas and Peter Grant), May 2008 Co-chair "Barriers to Vapor Intrusion Session" at the Remediation of Chlorinated and Recalcitrant Compounds: Sixth International Conference, Battelle, Monterey, California, May 2006 "Performance Monitoring of Vapor Mitigation System, New Harbor Facilities Center Port of Oakland," Proceedings of the Fifth International Conference on Remediation of Chlorinated and Recalcitrant Compounds, Battelle International Conference 24-27 May (with S. Reinis and J.L. Rubin) 2006 Co-Chair "Vapor Intrusion of Volatile Organic Compounds Into Buildings" at the Remediation of Chlorinated and Recalcitrant Compounds: Fifth International Conference, Battelle, Monterey, California, May 2005 "Subsurface Vapor Intrusion to Indoor Air Mitigation System Design, New Harbor Facilities Center Port of Oakland," California Groundwater Resources Conference, Subsurface Vapor Intrusion to Indoor Air, 25 May (with J.L. Rubin), May 2004 "Evaluating and Managing Business Environmental Risks For Contaminated Property Redevelopment," Proceedings of the Fourth International Conference on Remediation of Chlorinated and Recalcitrant Compounds, Battelle, Monterey, California, May
Sigrida Reinis	2008 Estimating VOC Emissions from Vapor Management Systems for Air District Permitting. Battelle Sixth International Conference on Remediation of Chlorinated and Recalcitrant Compounds, Monterey, California, May 2008 Vapor Intrusion Mitigation Systems: A Brief Primer (Current Trends in Vapor Intrusion), 2008 Environmental Law Conference at Yosemite, October
Dorinda Shipman	2007 How Green is My Practice? Yosemite Environmental Law Conference with Claudia Polsky and Bruce Lyburn, October 2006 Hunters Point Shipyard Parcel A, History and Implementation of Article 31 Section 3106, San Francisco Health Code at the CIWMB Landfill Post-Closure Land Use Symposium, February 2006 Financial Considerations for Landfill Post-Closure Building Development at the CIWMB Landfill Post-Closure Land Use Symposium, February and March
Philip Smith	2000 Bay West Cove – A Case Study. Bay Planning Coalition, 2000 Annual Decision Makers Conference 1990 Contaminated Sites – An Overlooked Site Selection Opportunity? Industrial Development Research Council 1990 World Congress, Colorado Springs, Colorado 1983 Topographic and geological controls of deep-basin fluid potential patterns, Palo Duro Basin area, Texas. Geological Society of America, Annual Meeting, Boulder, CO (with E.S. Bair, T. O'Donnell, and L.W. Picking).

Name	Presentations
Hadi Yap	<p>2008 An Introduction to Building Foundations and Soil Improvement Methods. Presented at the SEAONC Seminar, 16 April 2008, San Francisco, California</p> <p>2001 Performance of Several Shoring Systems in San Francisco, talk presented to Indonesian Society of Structural Engineers, Jakarta, Indonesia, July</p> <p>2000 Geotechnical Considerations in Design of Shoring Systems in San Francisco Bay Area, Anchored Geo-Support Seminar organized by ADSC (The International Association for Foundation Drilling), So. San Francisco, California, 9 November</p> <p>2000 An Excavation Adjacent to Bay Bridge Anchorage in San Francisco, American Society of Civil Engineers, San Francisco Section Annual Meeting, Oakland, California, 29 September</p> <p>1998 Back-Analysis of Lateral Wall Deflection for Deep Excavations in Jakarta Clay, Conference on Geotechnical Engineering in Bandung, Indonesia, January (with J.C. Li, I.H. Wong, and B. Chandrasekaran)</p> <p>1996 Dispersive Clay Problem at Mule Creek Dam Mitigated by Utilization of Lime-Treated Defensive Zone, Association of State Dam Safety Officials Conference, Seattle, Washington, September (with K. H. Bergman)</p> <p>1994 Soil Nailing Overview, Geotechnical Group Technical Workshop, San Francisco Section of American Society of Civil Engineers, Oakland, California, February</p>
